18. Course Description:

As stated in the approved study plan.

The course is a continuation for the other two Turkish courses (*Turkish for Beginners 1 & 2*); it trains the four language skills, listening comprehension, writing, reading and oral skills, on a more advanced level. After finishing this course, the student will be able to act with self-assurance in everyday life situations.

The course contains some new topics such as: description of people's appearance, education and school, entertainment and TV, work and economics in Turkey, industry and other more topics related to Turkish society and culture.

19. Course aims and outcomes:

A- Aims:
 A1. Recognize the basic element of a sentence which are used with the same expressions A2. Recognize some similarities and differences between the Turkish language and their native language A3. Write simple Turkish passages A4. understanding about the conversational Turkish and of reading comprehension. A5. practise and consolidate the targets with better linguistic skills A6. understand, analyse, recognize, appreciate (and write) harder texts with more and more grammatical targets.
B- Intended Learning Outcomes (ILOs): Upon successful completion of this course students will be able to
B1. converse and write more of the main aspects of the Turkish language without some help and more spontaneously than the previous level
B2. recognize the basic element of a sentence used with the same expressions
B3. recognize some similarities and differences between the Turkish language and their native language
B4. write simple Turkish passages
