

Special Instructions During Examinations

- Mobile phones must be switched off **before entering the examination hall**. If a phone is found in silent mode or airplane mode, it will be confiscated and the student will be referred to the investigation committee.

- Possession of any electronic devices (smartwatch, iPad, etc.), even if turned off, is strictly prohibited. If any electronic device is found, it will be confiscated, and the student will be referred to the investigation committee.

- Students will be checked to ensure they do not possess an open silent, or airplane mode phone or any other electronic device.

- Students may place their closed mobile phones on the table at the front of the hall at their own risk.

- A student who has completed the examination may leave the examination hall approximately one hour before the end of the examination.

- Students must fill in their name in both Arabic and English languages and their university ID number in the designated spaces.

- Students are only allowed to use a pencil to fill out the answer sheet; the use of ink pens is strictly prohibited.
